## REČ UREDNIKA

Završava se još jedna godina uspešnog rada Saveza inženjera i tehničara tekstilaca Srbije, u kojoj smo uspeli da publikujemo sva četiri broja časopisa "Tekstilna industrija" u predviđenim rokovima sa tiražom od 100 komada. Time je ispunjen plan o redovnosti izlaženja časopisa u 2024. godini.

Redakcioni odbor sa glavnim i odgovornim urednikom kao i ranijih godina potrudio se da kvalitet časopisa poboljša sa novim sadržajima, kvalitetnim radovima, savremenim tematikama i aktuelnim informacijama, kao i većim brojem radova autora iz ukupno deset zemalja. U ovoj godini publikovano je ukupno 28 radova, a od toga je 16 radova autora iz inostranstva (Turske, Bangladeša, Makedonije, Slovenije, Bugarske, Bosne i Hercegovine, Hrvatske, Nemačke i Ukrajine) a 24 rada su na engleskom jeziku i 4 rada na srpskom jeziku. Svi radovi imaju UDC brojeve i karakter rada, DOI oznaku, imaju apstrakt i ključne reči na srpskom i engleskom jeziku.

„Tekstilna industrija“ je časopis otvorenog pristupa (OA). Objavljeni članci distribuiraju se u skladu sa licencom Creative Commons Attribution 4.0 International (CC BY). Visoka vidljivost radova objavljenih u časopisu "Tekstilna industrija" je trajno obezbeđena posredstvom SCIndeksa i dodatno uvećana automatskim reindexiranjem metapodataka u DOAJ i punog teksta u Google Scholar-u. Takođe, časopis je indeksiran i u servis Sherpa/Romeo.

Časopis je u toku ove godine stupio u elektronski licencni odnos sa EBSCO Publishing, vodećim svetskim agregatorom časopisa, časopisa i e-knjiga sa punim tekstom. Kompletan tekst časopisa može se naći u EBSCOhost™ bazama podataka.

Časopis "Tekstilna industrija" je časopis sa dugogodišnjom tradicijom i neprekidno se publikuje 72. godine, te se nadamo se da ćemo i u narednoj godini opravdati dato poverenje i nastaviti tradiciju publikovanja časopisa "Tekstilna industrija" sa još više uspeha.

Glavni i odgovorni urednik  
Prof. dr Snežana Urošević
